I love Delwin, he was such a great TA. I appreciated his kindness and helpfulness.

Such a good TA. He really cares about his students and wants them to do well.

Yo, this TA is DOPE. Keep him around while you can, because he's super personable and interested in helping students.

good enthusiasm, went out of his way to help us a lot during section - never tried to meet outside of class but he said that he had good availability

Very enthusiastic and helpful TA.

He gave us a lot of extra information that will be helpful if we use the r program more outside of this class.

TA lacks knowledge on the topics in class, hard to understand his teaching and reads of PowerPoint rather than explaining things in his own words.

Amazing TA!!
