(1967) 11. **In addition to the Teaching Assistant information you have provided, please write any additional comments in the space below.**

This was the best teaching assistant that I had in all of UCSB. Delwin fostered a great learning environment and was available to students virtually always. I am even asking for a letter of recommendation from him because of all of the resources he has offered me.

Delwin was really engaging in section and excellent at connecting with his students. It was very apparent that he truly cares about us! I don't think I've ever had a TA that made this great of an effort to be there for his/her students... I am so appreciative of his help, guidance, and kindness.

Truly a phenomenal TA. Delwin Carter made me excited to come to class and I felt comfortable speaking and asking questions.

Amazing TA. Super helpful and understanding. Makes learning feel less intimidating and allows us time and room to grow.

Thanks for being such a big help this quarter!

He's an amazing TA that always makes sure we are understanding the material and getting the help we need. He's always open to help us with assignments all the time even out of class and is really flexible. He reached out to make sure I was doing okay in my group noticing how quiet I was and I greatly appreciate his support! He made the class easier to get through. Thank you Delwin! :)

One of the best TAs I have ever had. Great work! 10/10

Delwin is great and very helpful.
