Delwin was my TA, not Tikal. Delwin was extremely passionate about this course and made the class enjoyable. He has been the best TA I have experienced so far in the 4 years that I have been at UCSB.

I had Delwin and not Tikal. Delwin was a great TA and went above and beyond to help his students, I even think that he worked harder than us sometimes. He pushed us to do our best, but was compassionate and guiding along the way. Great TA, I always looked forward to coming to class.

My TA is Delwin Carter!

My TA is Delwin, he was very fun and extremely hands on and helpful, it made the course and workload more manageable and enjoyable
