Delwin was an incredible T.A. He made sure to answer our questions and if he didn't know the answer, he'd figure it out. He also was willing (AND DID) to stay longer than his scheduled office hours. The best T.A. I've had at UCSB.

-----  
Felt he was a little unprepared for the class at times/he didnt know the answer to a lot of questions. But still really nice and worked hard to get questions answered that he didnt know how to answer eventually.

-----  
He did great.
