1.17) Are there any specific things the instructor does particularly well? Are there any specific things the instructor could improve upon?

I was completely lost in lectures. If it wasn't for lab teacher, I would have failed course.

Very intelligent, friendly, awesome teacher!
A rating from me overall 0

The course really helped me understand concepts from the 320 class that I had trouble with.
This lab was very helpful

Very Good instructor. Easily Approachable and very well informed on the subject. I would take Carter again if I could.

Great Instructor!

Carter made Psy 320 easier for me and I really ~~app~~ enjoyed the class

Thank you!

Best lab instructor! I couldn't have survived the class without him! He made the class a lot more clearer! Very motivating instructor hearing his accomplishments motivated me! Glad I had him as a lab instructor.

Explains the concepts until the whole class understands the concept which is good.

He knows his job! Good instructor.

He really did a very good job teaching the material, and helping out when it was challenging. I was very nervous to take 3201 before, but he made me enjoy statistics!
